### Bhutan Activities

In addition to the daily scheduled discussions and performances, there are ongoing demonstrations of Bhutan’s cultural and ritual traditions throughout the Festival site. Visitors are invited to learn more about the kingdom’s rich heritage and diverse environment through zorig chusum (thirteen traditional arts), monastic arts, foodways, traditional medicine, Bhutan's national sport of archery, and other recreational activities.

### Ongoing Bhutan Activities

- Festival Foods (Wednesday)
- Images of Bhutan (Wednesday)
- Traditional Bhutanese Music and Dance (Wednesday)
- The Four Friends Story (Wednesday)
- Life of Monks and Nuns (Wednesday)
- Passing on Happiness (Wednesday)
- Space Shuttle (Wednesday)
- Why We Explore (Wednesday)
- Packaging Food for Space (Wednesday)
- High Flight (Wednesday)

- Los Texmaniacs with Mingo Saldivar (Wednesday)
- Taco Polak-os: Eating in San Antonio (Wednesday)
- Texmaniacs with Terri Hendrix and Lloyd Maines (Wednesday)
- Tejano Music (Wednesday)

### Ongoing Texas Activities

In the Texas Wine Making tent, representatives from nine of Texas’ most famous wineries will demonstrate the science of wine production, from vine to bottle. Visitors will go on a virtual tour of a vineyard and a winery to learn about the grape harvest, grape crushing, fermentation, wine aging, and bottling. They will be invited to smell ingredients that give wines deep flavor and aroma, and young visitors will be able to participate in a daily grape stomp.
